

USE ME!

Welcome to the convenient, cleverly camouflaged world of Kyte&Key. Glad to have you with us. We know you're eager to unpack your accessory but please keep this in mind...

We like to be USED! Kyte&Key packaging is designed to be used over and over again. Good packaging is a beautiful, multipurpose thing and we'd like to share a few thoughts on how to RE-USE ours.

Be snappy. (Sorry, be snappier. We don't doubt your snappiness.) Detach your snap ties and use them for your organizational tasks.

Get wound up in a good way. Keep your headphone cable tidy or your charging cable. You can also conveniently keep your pens in line.

Use the Leather Valet. Be one with the Valet. It's a handy tool that keeps your pocket items tidy even when they're not.

Share your ideas. Tell us how you are re-using your Kyte&Key packaging by emailing us at ben@kyteandkey.com. Type USE ME in the subject line, and we will post your idea to our social streams.
